Choosing a Major Checklist

Please respond to the following statements	Major 1	Major 2	Major 3	Major 4	Major 5	Minor 1	Minor 2	Minor 3	Minor 4
Major/Minor Name:									
This major corresponds with my interests,									
skills, workplace values, and personality									
style.									
I know the prerequisites/major									
requirements for the major.									
I have reviewed the upper-level courses in									
the major and I am interested in a number of									
them.									
Are there any key courses for this major that									
must be taken early?									
Are these courses common to other majors									
that you are exploring?									
I have visited University Career Services to									
research opportunities for internship,									
volunteer work, job shadowing, and									
employment in the field									
I have talked with other students and faculty									
in the program, and have a good									
understanding of what it would be like to									
complete this major?									
(Optional) I know what campus groups and									
organizations are related to this major and I									
know the importance of getting involved in									
these groups.									
I have met with my Academic Advisor to									
check how my completed coursework can									
count in this major.									
I am ready to declare this major.
